

Cora. Fixed & Adjustable

Key Product Features

- Modular LED downlights for both ambient and accent lighting.
- Interchangeable components: reflectors, lenses, and LED modules.
- Advanced thermal design with precision-engineered aluminium heatsinks.
- Certified for safety: CE, RoHS, and F Mark.
- Perfect for residential, commercial, gallery, and boutique applications.

Technical Specification

Parameter	Value
Output Current	DC150mA DC250mA DC350mA
Power	6W 10W 15W
Luminous Flux	108lm/w@3000K
Beam Angle	5° / 24° / 36° / 50°
CCT	DTW/Tun/2200K/2700K/3000K/4000K /5000K
CRI	Ra ≥ 95
Available Dimming Lamp	DALI / NON DIM / TRIAC LED

Technical Specification

Material	Aluminum
Mounting	Recessed with holding
Frame	Round, Square Trim
Option	Fixed, Adjustable
Finish	Black, White Key

Accessories. Reflector
